Thank you for the opportunity to weigh in on the plan to annex land at 13th and Fir Sts...in short, my husband and I do not think it would be good to develop this land in any way that would increase traffic in the area of Hope Village where we live. There are several nearby schools, the Adult Center and Swim Center all contributing to traffic right now. At times of the day traffic is heavy and FAST. It presents a danger to us elderly folks coming and going to our homes...as well as the numerous bicyclists, pedestrians, and dog walkers. We live here because it is not a metropolis....and we have seen plenty of them. Ivy St alone becomes a thoroughfare to the south of Canby. We have been patient with the improvement on 13th and Ivy Sts...still not finished. We respectfully ask that the City suggest another location that could work equally well for the applicants. We love Canby and plan to spend our last --hopefully quiet and peaceful--- years here.
